

AVOIDING COMMON FAILURES WITH SINGLE OR ADJACENT IMPLANTS IN THE ESTHETIC ZONE

by Ramón Gómez Meda, DDS, and Jonathan Esquivel, DDS (pp. 26-39)

The activity is free of charge and available to AACD members only. AACD members must log onto www.aacd.com/jcdce to complete the activity. Note that only Questions 1 through 3 appear in the printed and digital versions of the jCD; they are for readers' information only. This exercise was developed by members of the AACD's Written Examination Committee and jCD's Contributing Editors.

1. What contour design is best for proper tissue conditioning by the provisional restoration?
 - a. an under contoured design
 - b. an over contoured design applying light pressure
 - c. an exact contour design
 - d. an over contoured design with heavy tissue pressure
2. When treatment planning adjacent implant placement, what is the suggested minimum inter-implant distance?
 - a. 1 mm
 - b. 2 mm
 - c. 3 mm
 - d. 4 mm
3. What degree of an implant's facial axial inclination can be corrected with a custom abutment?
 - a. up to 10 degrees
 - b. up to 20 degrees
 - c. up to 30 degrees
 - d. up to 40 degrees

AACD Self-Instruction Continuing Education Information

CE activity will be available for 3 years from publication date for dentists, and 1 year from publication date for laboratory technicians.

Original release date: 08/31/25. Expiration for dentists: 08/31/28. Expiration for laboratory technicians: 08/31/26.

To receive course credit, AACD members must answer at least 70% of the questions correctly.

Participants will receive test results immediately and can only take each activity once. A current web browser is necessary to complete the exam.

Verification of participation will be sent to AACD members via their MyAACD account. All participants are responsible for sending proof of earned CE credits to their state dental board or agency for licensure purposes.

For more information, log onto www.aacd.com/jcdce

You can contact the AACD by email: info@aacd.com or by phone: 800.543.9220 or 608.222.8583.

To complete the entire activity, please log in to www.aacd.com/jcdce.

ADA CERP[®] Continuing Education Recognition Program

The AACD is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCERPADA.org.

NBC Approved Qualified Continuing Education Provider.

American Academy of Cosmetic Dentistry (AACD)
Nationally Approved PACE Program Provider for FAGD/MAGD credit.
Approval does not imply acceptance by any regulatory authority or AGD endorsement.
1/1/2025 to 12/31/2027
Provider ID# 216647
