- Provided no-cost comprehensive dental care to pediatric patients at elementary school-based clinic sites through a First5LA-funded program.
- Treatment included: restorative dentistry, space management, preventative care, exams, and oral hygiene instruction.
- Emphasis on pediatric patient management.

We Care Dental- Rancho Mirage, CA

Aug 2016-May 2017: Special Ed Rotation

- This clinic is committed to providing dental care for patients with special needs in a private-practice setting.
- Provided comprehensive dental care including oral diagnosis, oral hygiene, restorative dentistry, surgery, fixed and removable prosthodontics.

Meet Each Need with Dignity (MEND)- Pacoima, CA

2016-2018: Prosthodontics Rotation

- Provided dental care with an emphasis on removable prosthodontics for low-income patients.

Riverside Free Clinic- Riverside, CA

2015-2018: Student Volunteer

- Provided no-cost dental treatment to an underserved population at a student-run clinic.

Leadership

American Association for Women Dentists (AAWD)

Smiles for Success Co-Chair | 2016-2017

- Program founded to assist women in transition from welfare to the work place. Funding from AAWD National grant used to provide dental treatment for applicants.
- Responsible for revamping the program at WesternU, which included writing the Smiles for Success Manual, formalizing patient protocols for treatment, and recruiting patients through local shelters and transitional living programs.
