

Joining the AACD Is Easy!

The AACD is here to help you achieve your goals, whether that's creating a commitment to life-long learning or networking with the brightest minds in cosmetic dentistry.

Visit <https://aacd.com/membership>

Select “full time dental student” as your membership type and upload your documentation.

Submit your application and payment and take advantage of your valuable member benefits at www.aacd.com/benefits

Students receive tremendous value for their membership at the very reduced cost of \$65 (a full-time dentist pays \$535)

Be inspired! Follow AACD on social media to see wonderful examples of great cosmetic dentistry!

Dental Student Resources

Clinical Content

- **AACD Central Online Learning Platform:** Explore CEntal's unique Learning Paths to access videos, lectures, and continuing education from elite educators, with exclusive access to AACD scientific session content. New education added monthly.
 - <https://aacd.com/central>
- **Journal of Cosmetic Dentistry:** The profession's premier, clinical, peer-reviewed publication with CE in every issue. Available in print and digital formats.
- **Annual Scientific Session:** career-enhancing Scientific Session courses, taught by world-reknown educators, present takeaways to use, starting day one.

Networking

- **NEW MyAACD Network:** a private, online community that connects you with over 5,000 peers to call on for insight and knowledge.
- **Leadership & volunteer opportunities:** gain personal growth and recognition by taking your involvement with the AACD to the next level.

University Outreach Program

Interested in having an Accredited Fellow or Accredited Member of the AACD visit your campus? These volunteers speak on responsible esthetic dentistry, the importance of continuing education, the career options beyond graduation.

Find-a-Dentist

Looking for a dentist to shadow or to bring to your study club as a speaker? Utilize this website widget to find an AACD dentist near your school.
