Exhibitor Prospectus

***Welcome to the 39th Annual
AACD Scientific Session in Grapevine, Texas!***

Imagine our excitement in 2022 when there was such pent-up demand for meeting live once again (after a two-year break) that we had a waiting list for exhibitors!

That's because the AACD annual conference is THE place to connect with the leading community in esthetics and reinvigorate our passion for excellence in the art and science of cosmetic dentistry.

After a thrilling event in Orlando last year, attendees can expect an exceptional education program and a Scientific Session with more hands-on workshops than we have ever had in the history of AACD!

AACD 2023 Texas will be a "must attend" event and will position your products and services in front of dentistry's most passionate participants—many of whom are industry thought leaders, authors, educators, and mentors. These are the people you WANT to reach.

Highly engaging tabletop exhibits and a chance for conference attendees to mingle with Exhibitors over a glass of wine during the receptions on Thursday and Friday will make AACD 2023 Texas a valuable stop for you in the coming year.

On behalf of all AACD members, I look forward to welcoming you and your company to Grapevine, Texas, for outstanding education and memorable social activities.

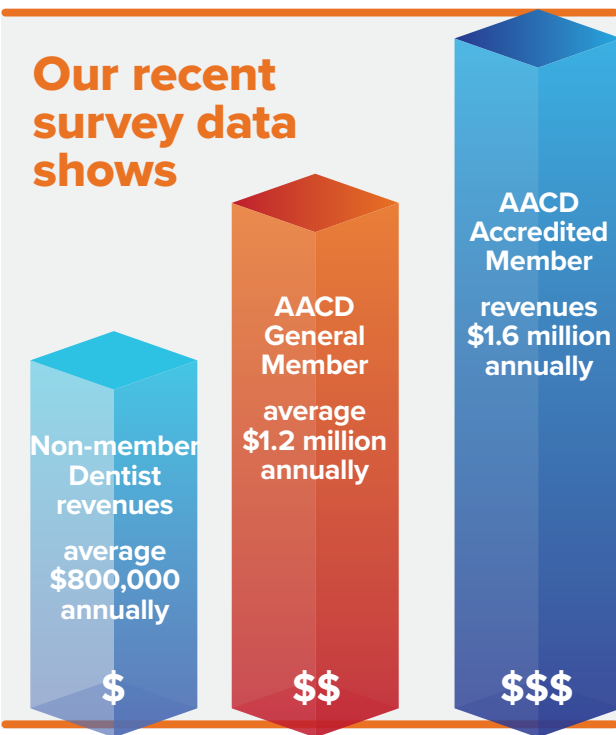

I hope to see you there.
