COURSE SUMMARY

Many Doctors and Teams seek practice growth, improvement, and a variety of solutions to issues, but do not know where to start or how to proceed. This presentation for Dentists and Team members will guide you through a strategic planning process to create realistic goals and implement necessary business and clinical systems.

The program will include:

Communication Skills for the entire team

Guiding the patient to YES for comprehensive care.

Strategic Planning-Designing your preferred future

Leadership training 2018 – not your parents’ style of leading

Event Sponsored by:
