GIVE BACK A SMILE" AACD CHARITABLE FOUNDATION INC.

The Give Back a Smile program (GBAS) was established by the American Acadamy of Cosmetic Dentistry, Inc. ("AACD") and the AACD Charitable Foundation to connect eligible survivors of domestic and/or sexual violence who've received dental injuries to the smile-zone from the abuse with volunteer cosmetic dentists to restore their smiles at

no cost. The dental injuries need to be a direct result of the domestic and/or sexual violence. We have volunteer cosmetic dentists throughout the United States and Canada but services are based on volunteer availability at the time you apply. If we do not have an available volunteer located within 200 miles of your location, we unfortunately cannot provide you services. Please be aware that our volunteer pool is more limited if you need dental care beyond the front 8 teeth and implants are not guaranteed.

## **Give Back a Smile Application Information**

# WHO IS ELIGIBLE:

- 1. Adult (18+) women and men who have received dental injuries to the smile-zone from:
  - Former intimate partner or spouse (husband, wife, domestic partner, boyfriend, or girlfriend)
  - Family member
  - Sexual violence (sexual assault and/or rape)
  - Human trafficking (may be considered)

## Other violent attacks or accidental dental injuries, while traumatic, do not qualify.

2. The incident causing the dental injuries generally must have occurred at least one year ago. GBAS may make exceptions to the one-year requirements if the abuser is deceased or in jail/prison.

- If hurt by an intimate partner or spouse: you need to be out of all abusive relationships for a minimum of one year.
- If hurt by a family member: you need to have lived in a separate home from that person for a minimum of one year.
- If hurt because of sexual assault: it needs to have happened at least one year ago
- 3. All applicants need to meet with a domestic violence/sexual assault advocate, case manager, counselor, faith leader, therapist or doctor with experience in counseling survivors of domestic violence/sexual assault, at least once and that person needs to complete page 6 of the application.
- 4. The program does not help with dental neglect (such as cavities), gum disease, jaw injuries, or orthodontic treatment (braces, shifted teeth, and/or spaces between teeth).
- 5. The program does not replace or fix previous dental work done by any dentist including GBAS volunteers. In other words, dental work that does not fit, looks bad, no longer works, an implant that was started but not completed.

# Please write your initials next to each statement below and sign at the bottom, letting us know that you understand the application process and GBAS guidelines.

- Based on my situation, I verify that I have been away from all abusive situations for at least one year
- \_\_\_\_\_ The dental work I may receive is donated (The dentist does not receive payment)
- \_\_\_\_\_ My \$20.00 application fee is **non-refundable.**
- \_\_\_\_\_ Sending in an application to the GBAS program does *not* guarantee I will be sent to a dentist or that I will be accepted as a patient.
- If there is not an available volunteer dentist located within 200 miles of your location, we unfortunately cannot provide you services. Please be aware that our volunteer pool is more limited if you need dental care beyond the front 8 teeth.
- When I receive a letter from the GBAS program informing me of a volunteer dentist who may provide my dental work under the GBAS program, I understand that it is my obligation to schedule the first appointment within 30 days.
- The GBAS volunteer dentist makes the final decision of eligibility and disqualification (as described below) per the program guidelines and decides what dental work fits within the program. Dental work is **not guaranteed** and I hereby release and waive any and all claims that I may have against the American Academy of Cosmetic Dentistry, Inc., and/or the American Academy of Cosmetic Dentistry Charitable Foundation that may arise with respect to my participation in the program and/or my dentist-patient relationship with the GBAS volunteer dentist.
- The program **does not** help with dental neglect (such as cavities), gum disease, jaw injuries, or orthodontic treatment (braces, shifted teeth, and/or spaces between teeth).
- The program does not replace or fix previous dental work (such as dental work that does not fit, looks bad, no longer works, an implant that was started but not completed by any dentist in the past including GBAS volunteers.

\_\_\_\_ The program **does not guarantee specific dental work that I request or want** (such as implants or teeth whitening).

Among other reasons, I can be **disqualified** from the GBAS program at any time if I:

- Don't call to schedule my first appointment within 30 days
- Reject the volunteer dentist's proposed treatment plan
- Don't show up to appointment(s)
- Cancel appointment(s)
- Cancel appointment(s) without a 48-hour notice
- Don't stay in contact with the volunteer dentist or the GBAS office
- Disrespect the dental office or GBAS staff
- If the volunteer dentist terminates you as a patient for any reason
- If you provide false information in your application or otherwise fail to comply with the GBAS program

If I am disqualified, my GBAS case will be closed and I will not receive any further
dental services under the GBAS program.

I will update the GBAS office of any changes to my phone number or mailing address. If the GBAS office can't find me, my case may be closed, with no further dental services being provided. All changes must be sent directly to the GBAS office. No returned mail will be forwarded.

If I'm eligible for the program, once my GBAS case is done within program guidelines, the dentist will not provide any further dental work to me or keep me as a patient. **My GBAS case will not be reopened for any reason.** 

Your application will be reviewed as quickly as possible. In order to keep the process moving, we ask that you **please don't call** to check the status of your application. These types of calls will not be returned to you.

I have read the entire Give Back a Smile application, including this Patient Agreement Form, and understand my obligations and the dental services that I may be eligible to receive under the GBAS program.

## Before you return your application, please read the following:

- 1. Be sure all sections of this application are filled out completely, correctly and legibly. All application submission materials MUST be submitted together. Please do not send the \$20.00 application fee or support verification form separately.
- 2. In order to apply for the GBAS program, you must send in a \$20.00 application fee, or complete 10 hours of community service (volunteer work) within 12 months prior to the date of your application. The fee or service verification form (page 9) must be included with your application, or it will be returned to you.
- 3. Please do not include additional documents with your application (i.e. police reports, medical records, etc.). They will not be reviewed and will be shredded to ensure your privacy.
- 4. Make sure you have met in-person with a counselor, advocate, case manager, therapist, faith leader or medical professional described in the Support Verification Form on page 6 at least once and have that person complete and sign that form.
- 5. Make a copy of this application for your files.
- 6. Mail your completed application to GBAS, 402 West Wilson Street, Madison, WI 53703 or fax to 888.488.6888. Note: if including a money order, DO NOT fax your application.

#### What happens after I send in my completed application

- GBAS reviews applications first. If your application does not qualify for the program, you will be mailed a letter within 45 days.
- If your application is approved by GBAS, we will begin looking for a volunteer dentist (remember that the dentist has final approval). Please be aware that this process will take time (potentially several months). Once we've determined whether or not there is an available volunteer dentist in your location, you will receive a letter indicating the status of your case.
- When a volunteer is confirmed, you will be notified of the volunteer dentist. After your first appointment which you must schedule within 30 days of receiving that notice, he/she will let you know what they can do, what they can't do, or whether your dental situation fits within the guidelines of the program. You are not accepted into the program until the dentist sees you for a consultation and determines that he/she is able to donate the dental work that you need. The program does not guarantee implants or patient requested dental work. Note: you may be disqualified from the program at any time.
- Please note: If we do not have an available volunteer located within 200 miles of your location, we unfortunately cannot provide you services and we will inform you of this via mail. Keep in mind that our volunteer pool is more limited if you need dental care beyond the front 8 teeth.
- All program correspondences will be sent through the mail. If your address changes, please inform the GBAS office right away. If we are unable to contact you, your case can be closed.

This form is to be completed only if you chose to do 10 hours of community service. *It must be filled out and signed by a supervisor/manager where you did your volunteer work.*
